At Bob Hawke College we believe that uniform is fundamental in establishing a positive college identity, ensuring the safety of students whilst on campus and promoting belonging and equity amongst the college community. In the first years of the College, we aim to set the standard of high expectations for the wearing of the uniform.

The maintenance of high standards relies on a shared understanding by the parent or carer and the student, that the student will dress consistently in accordance with the College Dress Code. Students enrolled at Bob Hawke College will wear official uniform items and will also observe the following school uniform requirements.

Footwear

Day-wear: Ankle height, lace-up shoes that safely and fully enclose the foot. The shoes can be either runners or leather dress shoes, and are required to be completely black (as below).

Exceptional Circumstances

In exceptional circumstances where students don't meet College Dress Code requirements (as a result of hardship, a medical issue or damage) they should bring an explanatory note to Student Central before the commencement of the school day. Student Central staff will provide a loan College uniform.
