

CLUBS

AT BOB HAWKE COLLEGE

Clubs are voluntary extracurricular activities that enhance our College community and provide opportunity for students to connect with areas of interest. Clubs will run from Week 6, Term 1 and vary in their focus and duration. Being part of a Club is a voluntary commitment to attend and contribute to the aims of the group for the allocated time on scheduled days.

Students may request to be a member of more than one Club. Places are limited in most Clubs. If clubs are oversubscribed an application process may be required. Confirmation and further details will be sent out via events in Compass.

Submissions close Monday 27 February 9am

Tournament of Minds Club (STEM)

If you are interested in STEM (Science, Technology, Engineering, Maths) or have an interest in the creative arts (drama, costume design, scriptwriting, improvisation) or wish to develop your skills in these areas, then TOM's is for you.

Tournament of Minds (TOM) is a program for all primary and secondary students providing the opportunity to solve authentic, open-ended challenges that foster creative, divergent thinking whilst developing collaborative enterprise, excellence and teamwork.

In the STEM Challenge, team members work together, without assistance from teachers, parents or peers - to develop a creative/ fun way to communicate their solution to a panel of judges and an audience, using homemade props, costumes and scripts, on the Tournament Day. The teams must also participate in an unseen Spontaneous Challenge on the day.

It is all designed to be a Team building experience that is loads of fun for all participants.

We are looking for a Year 7/ 8 team and a Year 9/10 team. Each team consisting of 6 members each.

Please contact me Mr Lawrence for any further information you may need. !

Duke of Edinburgh International Award Club

The Duke of Ed Award is a youth development program, empowering you to find your purpose, passion, and place in the world. Achieving the Award requires goal setting, commitment, persistence, organisation, and personal responsibility - all important life skills for your future. The Award recognises what you are already doing in a formal certificate that looks great to employers on your resume. In addition, you can get SCSA Units (helpful for graduation!), and even use it as part of your application to university. To achieve an Award, you must learn a skill, participate in a physical activity, and volunteer in your community. You choose the activities - they can be new or what you already do now. **Students must be 15 for this Club.**

When: Tuesday breaktimes fortnightly (start week 6, Term 1)

Where: Bob Hawke College room 5.205

Coordinator: Sam Testa

Academic Mentoring Club

For Term 1, we are calling on Year 8, 9 and 10 TUTORS ONLY who can help students younger than you with a particular subject that you are great at. At the end of Term 1, students who are struggling with English, Science, HASS or Maths will sign up for help on Monday afternoons in the library. You will have "How to be a Tutor" training from Ms Paterson this term and meet your students this term. You will receive community service hours on your transcripts if requested, which looks great on university scholarships and applications. This also provides a great start for the study-group habits you will need at university in courses like Medicine and Law.

You will be helping keen, willing students who have asked for help and will get that wonderful feeling of accomplishment from getting involved with your school community and seeing it "click" for one of your peers, all thanks to you. It has also been proven that teaching concepts to others helps cement your own understanding of those concepts and your success in that subject.

Towards the end of the year, tutors will be put through a UWA mentoring program which prepares them to be professional mentors to others with future paid roles in their high school career and beyond.

When: Monday weekly, 3pm-4pm (start week 6, Term 1)

Where: Bob Hawke College Library

Coordinator: Amy Paterson
