8. Principals Report

Covid update- 23-27 staff and students identified as positive covid . Logistically difficult to report close contacts. 37 positive children as of today. 4-5 per day reported.

RAT tests to be distributed through the children of the school. Likely to be the oral tests rather than nasal.

Club will now be ramped up. Competition clubs will be ramped up first as well as some sports clubs. Majority will launch in week 6.

Stage two progress up to fourth floor and practical completion November and handover next January. On schedule but supply issues with certain materials. Development WA are continuing to upgrade oval including parkour installation. Schedule for finish in November.

Red letter day tomorrow. First football game on the oval tomorrow.

School camp for year 9 in third term. 3 day camp. Week 7 and 8 of term

Question re inclusion and gender to be catered for. First night in gender separation and the second night both groups will come together for the night. Trekking, water based activities and making food etc.

Name for the houses- Difficult process in how to name. What themes are going to be used in naming the houses. Consultants and parents will be consulted. Might be indigenous names and have narrative behind the names so that students can relate to why and how the names are chosen.

NAPLAN for year 9 coming up. Lightening carnivals for this term.

Year 10 pathways - 33 courses to be added as an elective next year. Course selection will be out in the next two or three weeks.

Performing arts at Heath Ledger theatre

Fiona question- are there explanations around what the courses are and what do they cover- John- Parent meetings will be held to offer explanations on courses. Aim is to make sure ever student frames what pathway they might chose. Outcomes for children is the most important not marks for the school.

9.4. Inclusion

report attached

Can we do a survey to see if students feel excluded or included.

Facebook groups that share inclusive outcomes. One already for parents with children with disabilities.

Would it be a P&C survey? General consensus is that it should be the school who does it as P&C does not have the resource or power to do something about the outcomes that might come from it.

Amanda raised that the inclusion committee is more for parents rather than students.

This term because of covid limited events.

Trip to pub in the next few weeks. Whatsapp has 53 members attached to it.

10. Business Arising and General Business

First item- Discussion

10.1. Motion to switch to 1 meeting per term

Under WACSSO guidelines need to a financial report for every meeting. Should we take it to a one meeting per term.

Do we do one full meeting and one exec meeting.

Wayne raised that two in term one is better as one is a AGM and general. Then general meeting one per term and exec meeting.

Amanda- First meeting in term two should be moved as school holidays prohibit getting people together for an agenda.

Wayne put forward that we are not in a position to make a decision on this. For consideration
