Pre-eminent national education report into secondary education and pathways

Identified priorities of problem-solving, communication, digital literacy, leadership, critical thinking, teamwork and innovation

Recommendation 1

*All students should expect that they will be supported to meet the minimum literacy, numeracy and **digital literacy** proficiency standards, which are the foundation for success beyond school.*

LOOKING TO THE FUTURE

REPORT OF THE REVIEW OF SENIOR SECONDARY PATHWAYS
INTO WORK, FURTHER EDUCATION AND TRAINING

JUNE 2020

The world is moving at a tremendous rate; going no one knows where. We must prepare our children, not for the world of the past, not for our world, but for their world – the world of the future.

John Dewey, radio broadcast, early 1940s.

Which device?

Meeting learner needs

- Laptops -vs- others
- Power, versatility, accessibility
- Multi-functional

Checklist:

- Microsoft platform
- Keyboard, active stylus, touchscreen
- Processing capacity

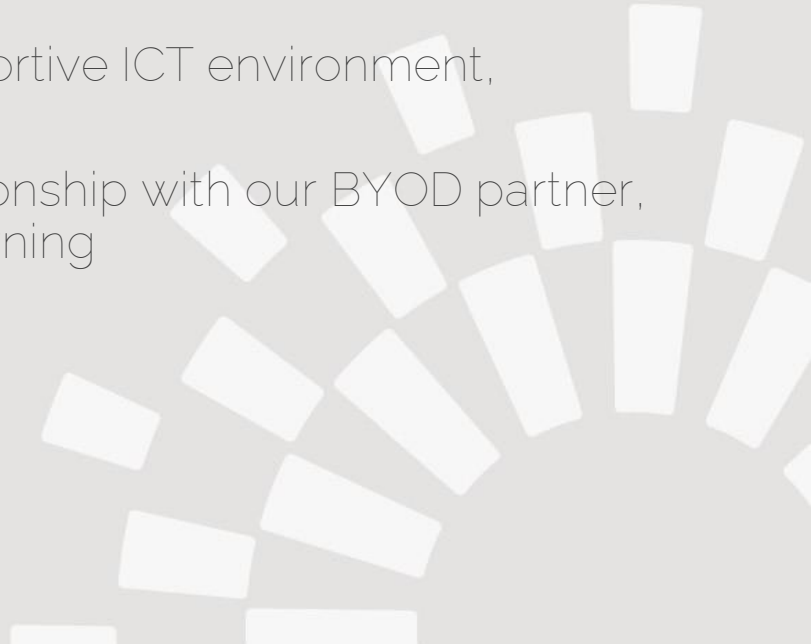

Minimum Specifications:
Hardware and Software
Network compatibility

Parent and Carer Expectations

The College will:

- Ensure the learning needs of your child are foremost in our Teaching and Learning program and curriculum delivery
- Ensure we maintain a safe, stable and supportive ICT environment, according to DoE standards
- Maintain an authentic and transparent relationship with our BYOD partner, in the best interest of students and their learning

BYOD Information Evening

About Us

Stott Hoare is a **WA owned and operated** business with **more than 30 years of experience** in **supplying and supporting computers** to parents, schools, government departments and businesses across WA.

We partner with Tier 1 PC manufacturers like Lenovo and invest in developing our expertise so that we can help you choose the right device and provide valuable support as a certified service agent.

We have been working with local schools around Parent Owned Devices since 2013 and currently have more than 50,000 devices under support.

Our Solution

✓ Robust devices

Business grade laptops, selected by the school, with 3-year warranty

Insurance Options

Industry figures suggest that at least 1 in 20 devices suffer some form of accidental damage.

It's important to decide on your strategy for dealing with out-of-warranty claims.

We provide an assessment and repair service for uninsured machines outside warranty at a discounted rate.

We also offer a Lenovo Accidental Damage Protection option.

The Stott Hoare Difference

Pre-configuration

- ✓ School software and settings pre-installed including Office 365

Warranty Support

- ✓ 3 years (including battery)
- ✓ Easy to get support – send us an email then drop-off and pick-up devices at school
- ✓ Re-installation of software and settings

Added Value

- ✓ Insurance Claim assessment service
(additional charges may apply)
- ✓ Non-Warranty issues
- ✓ Pre-emptive support/advice for known issues

Summary

Why choose our full-service solution?

Business grade devices

- ✓ Chosen with the classroom in mind
